PUBLIC DISCUSSION AND COMMENT:

- Larry thanks the township for the dirt but not the truck hitting the light pole. He could use more dirt when available
- Pastor Minto would like the Supervisors to do something about the dust
- Ken Boyle asked the Supervisors to explain to him again, why he couldn't get chip and tar in front of his house like he wanted. They told him the road was not suitable to chip and tar this year. There may be a problem with runoff from his pond, which is very close to the road. He also wanted it recorded in the minutes that he was called an idiot and asked to leave the office by Cindy after he harassed her to the point of tears. At that point the chairman called a halt to further discussion and the meeting moved on.
